

DE-REGISTERED VARIETIES ARE A NO-GROW

Growing registered canola varieties is an important part of assuring our export customers that the oil and meal quality, biotech traits and disease resistance in our canola crop meet their requirements.

Learn more and find a list of de-registered varieties at keepitclean.ca/canola/deregistered

 @KICCanada

For more information contact your local Canola Council agronomy specialist or call (866) 834-4378.
